

Bendigo & District Cycling Club Road Championships 21 September 2008:

No Controversy: McCarthy Makes it Back-to-Back Wins on the Road

Shaun McCarthy won Sundays 100km Senior Road Club Championship Race in emphatic style on a windblown circuit. After breaking away early McCarthy landed his winning blow on top of Emu Creek Roads Telephone Exchange hill when he attacked his break away companion of 90km Mark Flood and rode the final 5km into a brick wall head wind and a clear victory at the Emu Creek

Tennis Courts. The win makes amends for last years club championship race when McCarthy was awarded the race after Jarrod Moroni crossed the finish line first but was later disqualified for riding through a red flag in the closing stages of the race.

In the Under 19's race Robbie Hucker claimed the championship title by edging out Jamie Crass in tight sprint to the line.
