The 1st cold snap for the year scared off all but the toughest. The fight was always going to be Jack vs Jason L vs Cait, whoever could get the most out of their bunch. After Sutton Grange, Cait, Jason Searle & Chris broke away. As they crossed the concrete bridge, scratch turned at Sutton Grange. The whole field was on one stretch of road, for a short time anyway. The hill takes no prisoners & the surprises were yet to come. After going out the back, Mannix recovered brilliantly to pull 3rd. Russell rode amazingly to fight it out with Jason L. Not bad for a weekend trainer. Ty also had a surprise recovery, to take 9th, while Leon showed his strength for fastest time. The biggest improvement was from Jason Searle, a much quicker rider than a year ago. Ben Hodge rode well for a 1st year rider. Marshals were Steve McCallum, Russ Hooper, Rik Mccaig, Terry Crome, Terry Schintler, Justin Leske, Ian Turner, Petar Benjamin, Gary Pontelandolfo & others who weren't recorded.
