

Bendigo & District Cycling Club

Well what a weekend we have had!

Thank you so much to all that helped out corner marshalling, lead and follow vehicles, canteen, registration, timekeeping, first aid and of course supporting and cheering the riders! Without the enthusiasm and support from the parents, events like this weekend would not happen.

We are extremely grateful to the continued sponsorship of many businesses. This enables all members to receive a prize.

The club is also appreciative for the assistance in commissairing from Leigh Worn, Vanessa Maddern and Bruce Hamilton. Once again this highlighted the need for more of our club members to take the plunge and get their own commissaire licence.

If you have any thoughts, suggestions or criticism, please email us so that we can take it on board for future events. (kbowe@bigpond.net.au)

Don't forget there is no racing this weekend because of the Shepparton Tour. Good luck to those racing. Our next race will be the Club Championships to be held at Somerset Park Road, Junortoun. We hope to see all Bendigo & District Cycling club members in attendance.

2010 Bendigo Cycling Club - Junior Road Program

Registrations MUST be completed 30 minutes prior to race start.

It is expected that all parents will be available to do marshalling as required. No marshalls - no race!
